

# BELMOPAN METHODIST HIGH SCHOOL

Exclusion from education is one of the worst forms of social disadvantage for a person, and leads to numerous problems for society in general. Even though Belize designates 23% of its budget for education, it is not enough for the needs of buildings and staff. Church-State Partnerships have been developed to assist this country in the most glaring need – the need for high schools. Unemployment in Belize runs around 23% nationally, but in the Cayo District where most only achieve a primary school education, this rises to 32%. In contrast, for those completing high school, unemployment drops to 12%. In the Belmopan area over 1,000 high school aged children are not attending school because there is not a school in their area to attend. Building supplies provided by the Project Belize Sponsorship will be used during A&M United Methodist Church's second trip to Belmopan on March 10-17, 2012.

# PROJECT BELIZE

# PROJECT BELIZE

MARCH 10-17, 2012

*"I BELIZE  
in a thing  
called  
love..."*

Partner  
with A&M United  
Methodist Church youth and  
college students in building a high  
school in Belmopan, Belize. By doing so,  
you are taking part in building up  
leaders in our community and building a  
future for people in need. Sponsors will  
receive special recognition at the A&M  
UMC Valentine's Banquet, February 12,  
2012. This elegant banquet hosts nearly  
250 guests and features the Aggieldand  
Orchestra, prime rib dinner, and live  
and silent auctions.

## THREE WAYS TO BE A PROJECT BELIZE SPONSOR

### Gold

Donate \$500 or more and  
receive a full page ad in our  
program booklet

### Silver

Donate \$200 or more and  
receive a quarter page ad  
in our program booklet

### Bronze

Donate \$50 or more and  
receive special recognition  
in our program booklet.

All proceeds go to Project Belize Sponsorship  
for building the Belmopan Methodist High  
School. Your tax deductible donation can be  
made to A&M United Methodist Church.  
Write: Project Belize in the memo line
